

Co22 AQA Trilogy Biology HIGHER

Revision checklist:

- Microscope calculations
- Transport
- Osmosis required practical
- Exchange surfaces
- Anaerobic respiration
- Factors affecting the rate of photosynthesis
- Digestive system
- Lifestyle and non-communicable disease
- Bacterial cells, bacterial disease
- Preventing spread of communicable disease
- Drug testing

Your paper will be AQA Trilogy Biology Paper 1

Go through these topics systematically and revise.
Recommended resources are listed below:

- Knowledge Organisers
- CGP Workbook and revision guide
- Biology GCSEPod playlist
- [GCSEPod 3.0 Dashboard](#)
- BBC bitesize
- <https://www.bbc.co.uk/bitesize>
- Free science lessons
- <https://www.freesciencelessons.co.uk>
- Oak National Academy
- <https://www.thenational.academy>
- Seneca
- <https://senecalearning.com/en-GB>

Co22 AQA Trilogy Chemistry HIGHER

Revision checklist:

- Atomic structure
- Discovery of the nucleus
- Development of the periodic table
- Reactivity of Group 1
- Calculating masses from moles
- Masses from balanced symbol equations
- Ionic bonding
- Covalent bonding
- Properties of simple molecules
- Giant covalent structures
- Making a soluble salt from an insoluble base
- Neutralisation and pH
- Electrolysis of aluminium
- Investigating temperature changes, reactivity of metals
- Thermal decomposition

Your paper will be AQA Trilogy Chemistry Paper 1

Go through these topics systematically and revise.

Recommended resources are listed below:

- Knowledge Organisers
- CGP Workbook and revision guide
- Chemistry GCSEPod playlist

Co22 AQA Trilogy Physics HIGHER

Revision checklist:

- National grid and wiring in the home
- Types of radioactive decay
- Radioactive decay equations
- Investigating resistance
- Renewable fuels
- Changes in energy stores
- Kinetic theory
- Specific heat capacity and specific latent heat
- Radioactive decay and half life
- EPE, GPE and kinetic energy
- Spring constant

Your paper will be AQA Trilogy Physics Paper 1

Go through these topics systematically and revise.
Recommended resources are listed below:
