

Year 9 Geography

Things you can revise:

Tourism:

Tourism in the UK – The Lake District National Park

Impacts of Mass tourism - Jamaica

Key word definitions

Ecotourism

Water on the land:

River processes – erosion, transportation and deposition

Middle course features including cross section of the river channel

Flooding and flood management strategies.

For 4, 6 and 8 mark questions you may be expected to name a place and use connectives in your answers for level 2 (C grade). For the full 8 marks you must make it clear that you are talking about a place specific case study and not just putting a name to generic comments.

Definitions

Description: Give the main features of something or an account in words of an event, a pattern or a process.

Explain: Give reasons why something happens.
