Careers Entitlement Statement

Careers will support the delivery of a mix of opportunities, experiences, curriculum learning and personal guidance to enable all students to establish the confidence and knowledge to make informed decisions about their future.

All students:

- ✓ **Will access a careers education programme, supported by outside agencies, visitors, and alumni. The programme will be delivered in various formats, including assemblies, PSHE lessons, weekly form time, cross-curricular, drop-down events, and external trips.**

- ✓ **Will have access to up-to-date, impartial careers information via the platform 'unifrog' and careers hub on school website which covers educational, vocational, and training options.**

- ✓ **Will have access to individual, impartial personal guidance from a qualified professional career advisor. Access will be at appropriate transition points in school year.**
