

My First 3 weeks at HHA have been a delight, it has been great to see so many of our students starting the term on such a positive note and meeting so many parents at the Y10, 11 and open evenings. Students and their parents' dedication and preparation have made a noticeable impact to the new term. Pastoral teams and leaders are actively planning ways to support students who need that little extra, and it's wonderful to see such strong collaboration between teams including parents in this effort.

Mr Stuart Hutton – Marian Head of School

## REVIEW OF THE WEEK

Turnbills are supporting HHA with great discounts on tools and supplies for our students to fully engage with the construction course we offer, staff said 'We will always try to support our local young people as they are the next generation of customers for us and the future of the construction industry' - living the true HHA mission to be #AmbitiousTogether - From the staff and students - Thank you Turnbull Boston for your on going support #Effort #Engagement #Excellence Turnbull - Boston Building Supplies

**CALLING ALL LOCAL BUSINESSES**

We are looking for local (and national) businesses who would be interested in supporting our careers and enterprise activities. This could be:

- a talk about your business and entry routes into your industry
- you could provide a hands on workshop for a small group of students
- facilitate a group of students to look around your workplace and what goes on
- take part in our larger events and have a stand to promote your business
- offer our Y10 students work experience
- interview some of our Y11 students for post 16 apprenticeships

If you are interested, please complete the expression of interest form in the post above.

We are looking to support a local business who can provide us with weekly deliveries to both our Tollfield and Marian campus. If you are able to provide fresh fruit and vegetables, dairy (milk, eggs, cheese) and meat, please get in touch with our faculty lead [charlotte.reynolds@havenhigh.net](mailto:charlotte.reynolds@havenhigh.net) to discuss further. #excellence #engagement #supportlocal

## SAFEGUARDING NUGGET

### Mental Health Support Team

Mental Health Support Team (MHST) are professionals who have had specialised training to support children and young people presenting with a wide range of mental health issues. Your Pastoral Lead at Haven High can make a referral to the MHST if your child is worried about their mental health. The Mental Health Support Team have a podcast to promote positive mental health for children and young people. It is available on several platforms including Spotify and Google Podcasts. The #MHSTpodcast includes hints and tips on promoting positive mental health and different ways to get involved with our monthly awareness topics. See here for more information:

# Welcome to the Staff

We would like to introduce some of the key staff your young person will encounter...

Its been wonderful to welcome the new Head of School and the new Year group teams to the students. I'm really excited to see all the students back in school and really living the schools core values of Effort, Engagement and Excellence. I truly am excited to work with everyone this academic year as we embark on our mission to be relentlessly ambitious for ourselves, each other and the community.

Mrs Emma Cresswell – Deputy Headteacher  
Emma.cresswell@havenhigh.net

Year 11 have had a positive start to their academic year. We have started our Study & Support scheme which students have been attending. On Monday we celebrated our first set of 'Form Student of the Week'. Students have settled back into school well and are looking ahead at their first set of trial exams. The new 'Year Hub' are delighted to see how motivated the students have been.

Miss Bates – Head of Year 11  
Tori.bates@havenhigh.net

The HOY 10 Hub has been a buzzing spot since the start of term. We feel so lucky that our year group feel able to come to us for support and guidance, but also to celebrate their little (and big) wins!

Our sole aim is to ensure that the students in year 10 feel fully supported and like we have their back. The key part about this is that the students need to remember to do their bit too.

Mrs Mariott – Head of Year 10  
Katie.marriott@havenhigh.net

I bring over 23 years of teaching experience to Haven High, where I've been part of the team for the past three years. Throughout my career, I've had the opportunity to teach a variety of subjects, including PE, Geography, and History and I've held several pastoral roles in both school and residential settings, and I'm deeply committed to supporting student welfare and development and look forward to what we can together achieve this year.

Mr Harrison – Head of Year 9  
Craig.Harrison@havenhigh.net

We would also like to encourage students (and their parents) to contact us with individual successes, both in school and in their wider lives and the community. We are passionate about celebrating the success of all our students in whichever field that may be.
