

I'm really pleased that students attending the Tollfield site have had a great start to the year. Our students already have a sense of great routines, are moving around the school with purpose, and are embracing our core values and the brilliant basics. The new branding for the school gives us all a real sense of a new journey beginning, and I'm really pleased to have been able to share so much positivity with the local community at our recent open evening. I'm really looking forward to working with students, parents and the wider community to show everyone what we are all about, and the great things our children are capable of.

Mr Lewis Baxter – Tollfield Head of School

# Welcome to the Staff

We would like to introduce some of the key staff your young person will encounter...

It has been an exciting first 2 weeks at Tollfield campus with our Year 7 and 8 students. Over the summer the staff have been looking at ways that students are able to develop their character not only just in our lessons but also how they can take an active part in the life of the academy. We have been telling students about all the wonderful enrichment activities that they can get involved with, we would love for as many students as possible to get involved in our enrichment activities. These will change during the year depending on the weather.

Finally, we will also be launching our Junior Leadership Team in the next few weeks. These will be leadership positions within the academy for our year 8 students. We will be explaining what the role will be and will be asking students to apply for a position on the leadership team, please encourage your young person to get involved.

Mrs Tom Duce – Deputy Headteacher  
Thomas.Duce@havenhigh.net

It has already been a busy couple of weeks and Year 7 have settled in well. We have worked hard on getting to know new friends, staff and reminding ourselves of all the procedures and expectations. Everyone has made a positive start, and it has been a pleasure to see everyone settling so quickly. I am pleased to report that the Year 7 attendance is impressive. I challenge you all to keep that up!

Mr Shaw – Head of Year 7  
Ben.shaw@havenhigh.net

I just wanted to take the opportunity to say how incredibly proud I am of Year 8 and the fantastic start that they have had to the new academic year. At every opportunity they have demonstrated our values of effort, engagement and excellence and, as Head of Year, I have enjoyed hearing about all of the wonderful things that they have achieved in and out of the classroom in such a short space of time. If the past two weeks are anything to go by it's going to be an exciting year!

Mr Luckhurst – Head of Year 8  
Connell.luckhurst@havenhigh.net

We would also like to encourage students (and their parents) to contact us with individual successes, both in school and in their wider lives and the community. We are passionate about celebrating the success of all our students in whichever field that may be.
