

I have been so impressed with students' engagement with their learning, and I am really looking forward to seeing how our students can engage with the community more. We are having a great focus on remembrance for the next few weeks and will all be designing poppies for an art installation at Tollfield. I have my poppy in the works at the moment, and I'm so excited to see what our students can produce when they work together. It is so important for the local community that Haven High is seen as the school who takes pride in their heritage and remembers those who have lost their lives so that we can enjoy our way of life today. This links with the wider curriculum, and helps students contextualise their learning across a range of subjects, as well as linking in with the values of our school, and the British values of democracy, the rule of law, individual liberty, and mutual respect. I hope I can count on all parents and carers to share their stories of family and friends that we all remember to help consolidate these values for our students.

Mr Lewis Baxter – Tollfield Head of School

REVIEW OF THE WEEK

It was lovely to see so many families at the open evenings last week at Marian and Tollfield - It was a delight to have Y11 students offering entertainment and so many students helping in departments and doing tours - #Effort #Engagement #Excellence

Has your young person outgrown their football boots - we take donations to keep in school so no-one misses out - all sizes needed up to size 11! - #ambitioustogether

Attendance Matters

WHAT ARE UNAUTHORISED ABSENCES?

At Haven High we know that attending school every day is important, and we thank our parents and carers who prioritise their child's attendance. If your child is off school, it is important that you let us know why. You can do this via:

Unauthorised absences are situations where a learner is absent without valid reason or permission to be absent from school. This could include

- being absent without notifying the school of the reason
- taking term time holidays
- arriving after 9.15am when registers close
- being absent without a valid reason
- truanting

Occasionally, we may request evidence to validate an absence. For instance, providing a medical appointment letter can change an

Welcome to the Staff

We would like to introduce some of the key staff your young person will encounter...

As a Careers Lead and Advisor, I am passionate about supporting young people on their career journeys through school and beyond. This support takes shape in many ways and formats throughout school, with the whole school contributing to this with lessons, trips, assemblies, drop down activities, employer encounters and talks. The aim is to inform, inspire and raise aspirations for our students. Their journey starts in year 7 and 8 with dedicated time in PSHE, getting to know and use Unifrog (careers platform), Form time activities exploring local industries and beyond, along with activities such as Enterprise week, Apprenticeship and Careers Week.

Any student or parent can request 1:1 career support please email tracy.gallagher@havenhigh.net, or check out the careers pages on school website with dedicated student and parent hubs.

Miss T Gallagher – Careers Advisor/Careers Lead
Tracy.Gallagher@havenhigh.net

I have worked at Haven High for 27 years and am seeing many former students returning as parents. My many roles have included Learning Assistant, Librarian and currently Senior Administrator over both sites. My wonderful team of 7 amazing staff will be your first contact if you call or visit. We always endeavour to help and support students and parents in any way we can.

Mrs Blackham – Senior Administrator
Bridget.Blackham@havenhigh.net

I have been enterprise lead at HHA for the last 5 years and am passionate about enabling students to achieve their full potential- in and out of the classroom. Enterprise is a key priority at HHA. Enterprise focuses on developing the transferable skills needed to succeed in life and the world of work: teamwork, leadership, creativity, financial awareness, communication and problem solving. Students will be exposed to a range of opportunities to develop these skills across the academic year.

Mrs Reynolds – Head of Faculty / Enterprise
Charlotte.Reynolds@havenhigh.net

We would also like to encourage students (and their parents) to contact us with individual successes, both in school and in their wider lives and the community. We are passionate about celebrating the success of all our students in whichever field that may be.
