

It has been a very busy but productive first week back. I was overwhelmed by the remembrance display at Tollfield campus. Every student played a part in the display either by designing and making their own poppy or contributing to their tutor group wreaths. The display is truly impressive! In addition to this it was pleasing to see our students represent the school so well this week at the opening of the remembrance garden in town.

In other news we have been visiting year 8 lessons this week and have enjoyed seeing how students are getting on with their learning across all subjects. It is wonderful to see our students so actively engaged with their learning and making excellent progress. Finally, it was a delight to welcome Rupert Gibson from England Rugby and the South Lincs school Partnership who has donated rugby equipment to support our initiative to play competitive rugby in school.

Mr Duce – Deputy Headteacher - [Thomas.duce@havenhigh.net](mailto:Thomas.duce@havenhigh.net)

## REVIEW OF THE WEEK

Our vocational subjects are starting the new term with a refurbished construction brickwork area. The area has had new fencing, a new canopy and new tools supplied to us at a generous discount by **Turnbull - Boston Building Supplies**. The construction team who installed the canopy even had ex-students of Haven High in their employment on the project which was so nice to see  
#AmbitiousTogether #Engagement #Effort #Excellence

Every student who donated to our food bank collection the last week of term was entered into a draw for a 'treat' - Huge thanks to Nik & Mix for the voucher and well done to Ruby - hope you enjoyed it! #Excellence

Mr Duce welcomed Rupert Gibson representing Lincolnshire South East School partnership and the RFU into Haven High this week. Rupert donated and delivered rugby kit to school to support with our initiative to play competitive rugby at Haven High. Any year 7 or 8 students who are interested in playing rugby should see Mr Duce at the Tollfield campus or come along to the rugby training sessions on Wednesday #AmbitiousTogether #Effort #Engagement #Excellence @INC5ESSP Boston R... ## Attendance Matters

### PUNCTUALITY & FREE BREAKFAST CLUB

It is essential that children learn the importance of being on time. This is an important life skill. To encourage learners to be early to school, we offer a free breakfast club.

8.00am - Free breakfast club opens

8.45am - We expect students to be in their tutor room

If students arrive after 8.45am they can only enter school via the front office, where they must sign in before entering school and going promptly to their lesson.

9.15am - Registers close.

If arriving after this time, learners will get an unauthorised late mark

### LATENESS

Students who arrive late will be given an automatic detention. Parents will see this on Classcharts. Sessions where the student arrives after registration closes (9.15am) count as an unauthorised session. Any student who has 10 or more unauthorised sessions in 10 weeks may face a penalty notice fine from Lincolnshire County Council

# Welcome to the Staff

We would like to introduce some of the key staff your young person will encounter...

I currently work as part of a team at the Tollfield Campus supporting Year 7. This will be my third year here at Haven High after working for seven years in a local primary school. Having come from primary school myself, I feel I can help and support Year 7 with their transition into secondary school.

I am passionate about supporting all learners to achieve their potential and work with their teachers and others to remove barriers to learning and encourage independence and self-esteem. I enjoy seeing their progress and achievements, no matter how small, and am proud of the students at Tollfield and the progress they have already made.

Mrs Chapman – **Learning Assistant**  
Karen.Chapman@havenhigh.net

I have been with Haven for the last 5 years and worked in various roles before I landed as a SEND Administrator. Since September 2023 I have worked on the Tollfield site with the Year 7 & Year 8 Pupils, having the opportunity to interact with them and support them on a smaller scale with their SEND needs has been incredibly rewarding. Seeing students making progress, facing challenges, excelling and enjoying what they're doing here with us fills me with such joy and I am looking forward to seeing the progress we can all make together 😊

Miss Houghton- **SEND Administrator**  
Jessica.houghton@havenhigh.net

I have worked as a Teaching Assistant at Haven High for almost five years, and I am currently working at the Tollfield Campus. I began as an apprentice and have greatly enjoyed the experience of working with and helping students improve, not just academically, but also emotionally throughout these years.

I believe that learning should be accessible for all, no matter their backgrounds or needs. Working as a Teaching Assistant enables me to be part of that process and assist in enabling this to take place within the school.

Mr Pell – **Learning Assistant**  
Kasey.pell@havenhigh.net

I have worked at Haven High for 10 years, working with students who require some extra support with their Maths at both Marian and Tollfield. My previous roles have been Maths Department Teaching Assistant, Maths Intervention Learning Assistant and my currently Maths Intervention Lead.

Outside of school, I spend my time baking and cake decorating as well as spending time as a Club Welfare Officer for the Boston Judo Club.

Miss Mitcham -**Numeracy Intervention Lead| Additional Learning Faculty / Maths**  
Kennedy.miticham@havenhigh.net

**We would also like to encourage students (and their parents) to contact us with individual successes, both in school and in their wider lives and the community. We are passionate about celebrating the success of all our students in whichever field that may be.**

## ON THE HORIZON

Friday	
Lunch	After school
Homework and drop-in sessions – A1 Crochet – E3 Basketball – Sports Hall Puzzle club - SSU	

Is your young person dark night Ready? – Please make sure students can be safe and be seen.

Parking at school leaving time- Could we please ask that you are mindful where you park when you collect your child. With the road being very busy with 3 schools leaving at similar times this is beginning to get dangerous for the children.

Please Note and remind your young people - The following items are not allowed in the Academy under any circumstances:

- o Alcohol and drugs including "legal highs"
- o E-Cigarettes, Cigarettes, matches, and lighters

Many Thanks for supporting us to keep our students safe #AmbitiousTogether
