

Students this week have been finding out in assembly about our new rewards system that will start from next week and how they will have the opportunity to collect positive points to receive recognition through badges and certificates as well as a number of rewards trips through the year. We will also for the first time be holding a learning awards celebration event that will celebrate the achievements by our students. Parents will be invited to this event and more information will follow in the coming weeks. Next week sees the launch of our 'Christmas Toy Drive', we are collecting – preloved toys and games that we will be selling on Boston Market to raise money to purchase items for those less fortunate this winter. Please donate what you can or even come and see us on Boston Market on Wednesday 4th December.

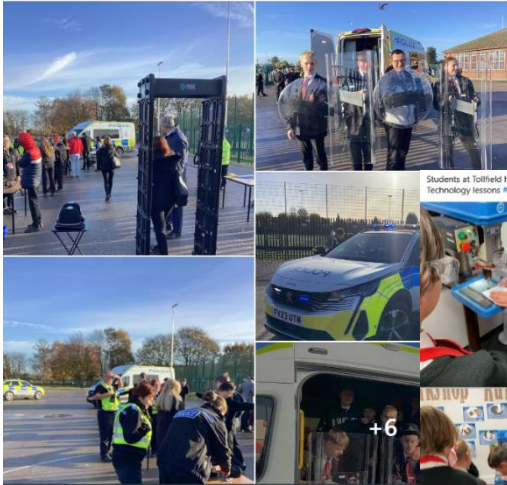

Mr Duce – Deputy Headteacher

REVIEW OF THE WEEK

Yesterday, we welcomed **Lincolnshire Police** with their metal arch to the Marian campus, working collaboratively to ensure the safety of our students and staff. We are proud to work in partnership with external agencies on this ongoing commitment to the safety and security of all of our students, the random screening, stop and search as students entered the Marian Campus was designed to ensure just this.

We are pleased to say that no weapons, drugs or alcohol was confiscated.... See more

Last night the Year 11 football team had a flying start to the season with a 12-0 win against **Cowley Academy**. Fantastic teamwork shown by all #AmbitiousTogether #Effort #Engagement #Excellence Sports at Haven High Academy

We might be a little biased ... but ... we think we have got some of Boston's Most Talented students - book your place BostonChristmas@boston.gov.uk and share your talent #AmbitiousTogether #Effort #Engagement #Excellence Boston Borough Council #bostonchristmasfestival2024 The Biz - School of Performing Arts Lincolnshire Music Service

Students at Tollfield have been learning about technology lessons #Effort

Nothing helps learning like some modelling... in geography students have been learning how we prevent flooding in Boston #Effort #Engagement #Excellence

Safeguarding Nugget

Parent's Guide to Reducing Screen Time

High levels of screen time can put your child more at risk of:

- Being bullied online
- Abuse and grooming (when someone builds a relationship with a child to exploit or abuse them)
- Seeing inappropriate content
- Not getting enough sleep and exercise

4 Steps To Help Protect Your Child

1) Set parental controls on devices

- Use parental controls to restrict access to in-app purchases and explicit or age-rated content, and, on some devices, how long they can spend on the device.
- You'll likely need to set a password. Make sure it's different from the password used to access the device, and that your child doesn't know it. Parental controls are usually located under 'Settings'.

2) Agree rules on screen time

- Consider setting media-free times and zones, like during meals or in bedrooms
- Try to avoid screens an hour before bedtime
- Model the behaviour you want to see. Children are more likely to learn from example
- Try to minimise snacking during screen time
- Turn not using screens into a game, using apps like Forest, where not using devices is rewarded

3) Talk to your child about staying safe online

- Talk to your children about being alert to the fact that anyone can pretend to be a child online
- If they talk to people they don't know, not to give away personal information.
- Ensure your child sets their profiles to private, to limit what others can see
- Teach your child to think carefully about what they share and with whom. Once it's out there, they've got no control over what the other person does with it.
- If they see something that upsets them, or someone bullies them, to tell an adult they trust

4) Encourage off-screen activities

- Help your child get active for the recommended 60 minutes a day. See www.nhs.uk/change4life/activities

Welcome to the Staff

We would like to introduce some of the key staff your young person will encounter...

Hello, I am Mr Morley!

I am the Deputy Head of Year 7, and I have been teaching here at Haven High for over two years as a History teacher. So far, I have been getting to know my year group and I can see that they have lots of potential to excel and achieve great things. With your help to encourage student engagement and effort in our school community they could achieve excellence in everything that they do!

Mr Morley- **Deputy head of Year 7**
Ryan.bell-morley@havenhigh.net

I have 2 teenage children, currently in year 10 and year 12. We have 2 crazy dogs, who are also very much part of the family. I am an avid reader and am currently studying towards an MA in English Literature.

One of my fondest memories from the end of last year, was being able to get to know and build relationships with students outside of the classroom. It's important to be able to do this, as the role of teaching is drastically different from a pastoral role.

I am looking forward to making a positive difference to the students' experiences within school this year.

Mrs Hourihan – **Deputy Head of Year 8**
Rebecca.hourihan@havenhigh.net

As a science teacher at Tollfield since 2005, my connection to Haven High goes even further back as a former student. Teaching science here is a true joy because it covers such a wide range of fascinating topics, and I love seeing students get hands-on with practical lessons. Our Haven High students are incredible; they never cease to amaze me with their curiosity and enthusiasm.

This school is a big part of my life, and I'm dedicated to helping it thrive. Achieving success means working together as a team—with students, parents, staff, and the wider community. It's this united spirit that makes Haven High truly special. Haven High rocks!

Mrs Limb- **Science Teacher**
Andrea.limb@havenhigh.net

I have worked at Haven High for 5 years now starting as a learning assistant supporting students with SEND. I am now a teacher of Drama and Music based at the Tollfield Campus. So far this year I have been incredibly proud to see students' effort and engagement in lessons, creating some of the best sounding Samba bands for students of this age.

In the future I am hoping to broaden the love students have for music and put together some small ensembles to enter and enjoy once again, the experience of the Music for Youth Regional Festival.

Miss Walker – **Music and Drama Teacher**
Rosie.walker@havenhigh.net

We would also like to encourage students (and their parents) to contact us with individual successes, both in school and in their wider lives and the community. We are passionate about celebrating the success of all our students in whichever field that may be.

ON THE HORIZON

DATE	EVENT	NOTES
18 th November 2024	SEND reviews begin	Invites should have been sent via email.
19 th November 2024	Christmas Toy Drive details coming soon	
20 th November 2024		
21 st November 2024	Yr 8 assembly	Nelson Mandela
22 nd November 2024	Yr 7 Assembly Last day to order Christmas lunch order	Nelson Mandela

Curriculum Plan

Do you know what your young person has studied this week?

Below you will find details about what students have studied this week and what they will be studying next week.

Start a conversation – Support their learning – Develop their knowledge

		This week students have learnt	Next week students will learn
Maths	Year 7	Comparing measures and units	Area of triangles, parallelograms and trapezia.
	Year 8	Calculating area and perimeter of polygons	Area and perimeter of circles and compound shapes
English	Year 7	Understanding context of a text. Learning features of writing	Assessment of reading and writing skills
	Year 8	Writing creatively	Understanding the plot of 'The Tempest'
Religious Studies	Year 7	What is a Social Scientist?	Questions a Social Scientist asks
	Year 8	Reteach lesson	Design argument
PSHE	Year 7	Personal Hygiene + tooth decay	Assertiveness, Consent & Hormones
	Year 8	Why is politics important?	How is our country run?
PE	Year 7	Basketball - Pivoting and Shooting (set shot)	Basketball - Shooting and Defending (Rebounding)
	Year 8	Basketball - Pivoting and Shooting (set shot)	Basketball - Shooting and Defending (Rebounding)
History	Year 7	Why were there three claimants to the throne?	What happened at the first two battles of 1066?
	Year 8	What was the Slave Triangle?	What was the middle passage like?
Gepgraphy	Year 7	How has the climate of the Earth changed?	What causes Ice Ages?
	Year 8	What is the best route for a Boston bypass?	How does Jamacia and Skegness make their money?
Spanish	Year 7	Describing members of the family	Give descriptions and adjectival agreements
	Year 8	Give information about your holiday	Use 3rd person forms of verbs in the past tense
Design Technology	Year 7	Lazer cut their designs and vacuum form	Vacuum forming
	Year 8	Lazer cut their designs and vacuum form	Vacuum forming

Notices

Clubs and enrichment activities on offer this term...

Monday	
Lunch	After school
Cheerleading – Sports Hall Mindfulness colouring – A3 Homework drop-in and study skills – A1 Wii Club – A2	Homework club – E1 Dungeons & Dragons – E3
Tuesday	
Lunch	After school
Homework and drop-in sessions – A1 Tabletop RPG – E3 Sparx Maths – E1	Netball – Sports Hall Football – Field Homework club – E1
Wednesday	
Lunch	After school
Media club (1pm) – A1 LGBTQ+ allies – A1 Geography film club – A5 Just Dance – Music room Netball – Sports Hall	Rugby (boys) – Field (bring kit) Homework club – E1
Thursday	
Lunch	After school
Homework and drop-in sessions – A1 Sparx Maths – E1 French film club – T3 Karaoke – M2	Dodgeball – Sports Hall Homework club – E1
Friday	
Lunch	After school
Homework and drop-in sessions – A1 Crochet – E3 Basketball – Sports Hall Puzzle club – SSU	

Christmas is fast approaching so make sure not to miss out on the amazing Christmas dinner on 18th Dec. Payments need to be made by 22nd Nov on Parentpay.

We're thrilled to announce an exciting new initiative at Haven High. As part of our commitment to holistic education, we will be offering the Mental Health Champion Training to our pupils.

Please Note and remind your young people - The following items are not allowed in the Academy under any circumstances:

- o Alcohol and drugs including "legal highs"
- o E-Cigarettes, Cigarettes, matches, and lighters

Many Thanks for supporting us to keep our students safe #AmbitiousTogether
