

This week started with Lincolnshire police in school working collaboratively to ensure the safety of our students and staff. We are proud to work in partnership with external agencies on this ongoing commitment to the safety and security of all of our students – We are grateful as always for the police and this engagement activity, the staff who supported and the students who were excellent throughout the process.

Next week sees the launch of our ‘Christmas Toy Drive’, we are collecting – preloved toys and games that we will be selling on Boston Market to raise money to purchase items for those less fortunate this winter. Please donate what you can or even come and see us on Boston Market on Wednesday 4th December.

Have a Wonderful Weekend – Emma Cresswell – Deputy Headteacher

REVIEW OF THE WEEK

Yesterday, we welcomed Lincolnshire Police with their metal arch to the Marian campus, working collaboratively to ensure the safety of our students and staff. We are proud to work in partnership with external agencies on this ongoing commitment to the safety and security of all of our students, the random screening, stop and search as students entered the Marian Campus was designed to ensure just this.

We are pleased to say that no weapons, drugs or alcohol was confiscated... See more

Last night the Year 11 football team had a flying start to the season with a 12-0 win against Cowley Academy. Fantastic teamwork shown by all #AmbitiousTogether #Effort #Engagement #Excellence Sports at Haven High Academy

We might be a little biased ... but ... we think we have got some of Boston's Most Talented students - book your place BostonChristmas@boston.gov.uk and share your talent #AmbitiousTogether #Effort #Engagement #Excellence Boston Borough Council #bostonchristmasfestival2024 The Biz - School of Performing Arts Lincolnshire Music Service

Parent's Guide to Reducing Screen Time

High levels of screen time can put your child more at risk of:

- Being bullied online
- Abuse and grooming (when someone builds a relationship with a child to exploit or abuse them)
- Seeing inappropriate content
- Not getting enough sleep and exercise

4 Steps to Help Protect Your Child

1) Set parental controls on devices

- Use parental controls to restrict access to in-app purchases and explicit or age-rated content, and, on some devices, how long they can spend on the device.
- You'll likely need to set a password. Make sure it's different from the password used to access the device, and that your child doesn't know it. Parental controls are usually located under 'Settings'.

2) Agree rules on screen time

- Consider setting media-free times and zones, like during meals or in bedrooms
- Try to avoid screens an hour before bedtime
- Model the behaviour you want to see. Children are more likely to learn from example
- Try to minimise snacking during screen time
- Turn not using screens into a game, using apps like Forest, where not using devices is rewarded

3) Talk to your child about staying safe online

- Talk to your children about being alert to the fact that anyone can pretend to be a child online
- If they talk to people they don't know, not to give away personal information.
- Ensure your child sets their profiles to private, to limit what others can see
- Teach your child to think carefully about what they share and with whom. Once it's out there, they've got no control over what the other person does with it.
- If they see something that upsets them, or someone bullies them, to tell an adult they trust

4) Encourage off-screen activities

- Help your child get active for the recommended 60 minutes a day. See www.nhs.uk/change4life/activities

Welcome to the Staff

We would like to introduce some of the key staff your young person will encounter...

I am now in my 20th year of teaching PE in Secondary Schools, 17 of which was in two Nottingham city schools and now at Haven High Academy. Currently, alongside my Assistant Head of Sport Faculty position, I have the honour of being the Deputy Head of Year 9. I have been extremely keen to have a pastoral role in my career and I show a pro-active attitude towards school-life that filters down to our students. Having the opportunity to guide and support the students at Haven high in their learning and personal growth is extremely satisfying. I love to catch the students doing something right- this could be excelling in lessons, extra-curricular or simply showing manners and respect to their peers.

Miss Knott – Yr9 **Deputy Head of year**
Helen.knott@havenhigh.net

Some places just get under your skin, after eighteen years at Haven High you can be sure that this place is in my blood. I consider it a privilege that I've worked with thousands of amazing students and staff to get the best results possible. Anyone who knows me, knows my love of all things France. I've enjoyed inspiring linguists to pick up the language, and years after leaving, I've been inspired by them as they have recounted their later adventures.

And the best? Haven does this daily, for every single student across all the subjects. I love the place.

Mr Andrew – Yr 10 **Deputy Head of Year**
Calvin.andrew@havenhigh.net

As deputy head of year, I work to support all year 11 students, this is a new role for me which is incredibly rewarding. We had a strong start to the year which is a trend I hope to continue over the coming weeks as we complete the mock exams and end the term with a rewards trip.

I look forward to meeting as many parents as I can at the upcoming parents evening.

Miss Buchanan – Yr11 **Deputy Head of year**
Annie.buchanan@havenhigh.net

We would also like to encourage students (and their parents) to contact us with individual successes, both in school and in their wider lives and the community. We are passionate about celebrating the success of all our students in whichever field that may be.
