

We're so proud of our students who engaged with the poppy appeal. Tollfield raised over £220, which is a huge achievement in our community. We are also running our toy drive to generate funds to help those young people in our community who are less fortunate this Christmas – please do support this and share the drive with friends and relatives.

With the new rewards schemes being launched this week, students are all excited about the prestige that can come with some of the awards we are offering, and we are very happy that they have taken to it so well. Our students have all seen the prestige that comes with awarding our junior leadership team, and we can see they are hungry to show off their achievements and go the extra mile for our community. I would encourage all parents to engage in conversation with our children so they can really appreciate their milestones and look forward to achieving more with us.

Mr Baxter – Headteacher of Tollfield

Attendance Matters

What does good attendance look like?

Welcome to the Staff

We would like to introduce some of the key staff your young person will encounter...

Hello, I am Mr Parker

I am the new Head of The Arts Faculty, and I have been teaching here at Haven High on the Tollfield campus since September.

So far, I have been getting to know all the children here, who I teach every week, sometimes twice!

The potential among the students here is enormous. We have tremendous resources in Music, Drama and Art and over the next term the next year and the next few years Haven Arts will become a beacon of excellence. Great times ahead!

Mr Parker – **Head of Arts Faculty**
Alan.parker@havenhigh.net

I am Mrs Smart, I have worked here for nearly 3 years. My 1st year here at Haven High was as an EHCP teaching assistant before I became a cover supervisor. I cover many different classes and many different subjects at both sites.

Prior to joining Haven High I have 14 years' experience working in several local primary schools. I love to see students achieve their full potential with help and guidance.

In my spare time I love being outside and walking which is great for my well-being.

Mrs Smart – **Cover Supervisor**
Trudie.smart@havenhigh.net

I am in my 6th year working at Haven High and it has been my absolute privilege to follow an entire cohort from year 7 to year 11 as a learning assistant. I have been inspired by the students and staff to further develop my own skills and after completing a bachelor's degree I am now training to become a teacher of English. I am incredibly fortunate to work at Haven high because I get to witness, every day, amazing students achieving their goals, no matter how big or small.

Mrs Petley – **Trainee Teacher of English**
Claire.petley@havenhigh.net

I have only been working at Tollfield since September 2024 as KS3 Humanities Lead. I am responsible for looking after Geography, History, PSHE and RE at Tollfield.

Geography is my passion, and I strive to make lessons as fun and as relevant to students and their local area as possible. I love to spark the imaginations of young minds into asking questions about the world around them and asking how and why things happen.

Mrs Duncan- **KS3 Humanities Lead**
Kendrah.duncan@havenhigh.net

We would also like to encourage students (and their parents) to contact us with individual successes, both in school and in their wider lives and the community. We are passionate about celebrating the success of all our students in whichever field that may be.
