

As we begin Spring Term, students have returned to Marian Campus with renewed focus. Our theme this term centres on 'Rule of Law', beginning with discussions about Kofi Annan's work in promoting peace and justice through the United Nations. These conversations help our students understand their role as responsible citizens in our global community.

The Spring Term is always significant for academic progress. Students should now be fully equipped for learning - please check they have all necessary equipment and that uniforms meet our expectations. The darker mornings and evenings present additional challenges for students, so please encourage students to be bright and stand out using lights if they are cycling into school. Please encourage students to have good sleep routines to support their focus throughout the day. Students can take advantage of our breakfast club offer before school, which will help set them up for a successful day.

We look forward to building on last term's achievements and working together to support your child's progress through 2025.

Mr Hutton – Head of School

REVIEW OF THE WEEK

Sports at Haven High Academy - Rewards trip to Boston GloGolf was a huge success this week and much fun was had by all including the staff! #Effort #Engagement #Excellence **Glo Golf Peterborough** <https://www.facebook.com/p/Glo-Golf-Boston-61556768496792/>

Today is the day our new payment system goes live. We have sent instructions on how to access this new system (Iris PlusPay), this was sent to all parents yesterday the 12th December 2024. Please bear with us while we navigate around this and deal with all the queries that are coming in. The balance from Parent Pay will transfer over to the new account. Please be assured, we will make sure your child is able to get food until we know the system is working as it should do... See more

Mr Housley, Miss Bates and Mrs Sargeant took 4 students to Burghley House, Stamford on a very cold Saturday morning this weekend. Even with the temperature of -3 they all showed great determination and effort. Mia Y7 placed 28th out of around 60 students, Brooklyn Y7 placed well considering it was his 2nd ever race and Joana & Esther (Yr11) showed fantastic resilience. All 4 students represented South Lincolnshire, we are all very proud of them! #AmbitiousTogether #Effort #en... See more

Aspiring Mental Health Careers 2025
Explore the careers that make a positive difference to peoples' mental health and wellbeing. Safeguarding Nugget

EDAN Lincs provides support to individuals and families affected by domestic abuse. They offer:

- Safety planning
- 1:1 practical / emotional support and crisis intervention
- Refuge Accommodation
- Family support and direct support for children.
- Support in accessing legal advice and support in court
- Direct support to young people who are or have been in a domestic abuse relationship themselves

Refuge Hours: Mon-Fri: 8.30am–7pm Sat 10am-5pm

Website: <https://edanlincs.org.uk>

Telephone: 01522 510041

Email: info@edanlincs.org.uk

Contact your Pastoral Lead if you are affected by domestic abuse.

For urgent support call the National 24-hour Domestic Abuse Helpline: 0808 200 247

If you or your children are at risk of immediate harm, call the police on 999

Student Voice

See what our students have to say...

Hi, I am Isabella the Head Girl at Haven High. I am delighted to be head girl and having the opportunity to be a role model to other students. I am currently studying for my GCSE's and am looking forward to seeing my results in August. Staff have been very supportive by offering study and support lessons to make sure all year 11 achieve their best. – Isabella

Since I have been at Haven High, I have never been given a negative which has helped me achieve becoming a student leader. At school I have had support from all staff and get to have study and support put on by the staff during lunch. I have had help with applying for college and finding out more about what they offer. All this will help me in my next steps. - Afonso

In this school they have provided us with many opportunities to explore the future and the world around us. They have contacted colleges, 6th forms and armed forces to come and talk to us about what the future might hold for us. They tell us about how it might work and pathways they hold. I currently attend study and support that the school has put into place to help students including myself with subjects that they may struggle in. Staff are willing to listen and support you to break through any problems you have. - Jenna

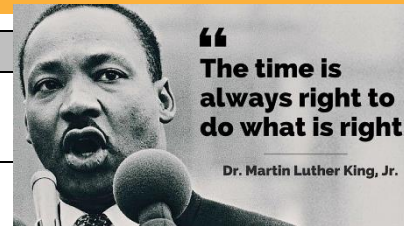

I am in my last year and have just achieved higher grades in my mocks than I was targeted. I have been able to do this by attending study and support, staff have been able to help me understand harder work which has improved my performance. - Leah

Hi, I'm Josh and currently in my last year at Haven. Over my years here I have enjoyed every minute with new opportunities always coming up. Every member of staff has been so supportive, guiding me to achieve my goals. I have always had high ambitions in my life and a huge one has recently been filled by becoming deputy Head boy. - Josh

We would also like to encourage students (and their parents) to contact us with individual successes, both in school and in their wider lives and the community. We are passionate about celebrating the success of all our students in whichever field that may be.
