

How To Set Parental Controls On Xbox (and any other Microsoft devices)

You'll need to have a family account set up, with 'child' profiles for your children. Learn more here:

Set screen time limits

- Go to family.microsoft.com and sign in to your Microsoft account.
- Find your child's name and select 'Screen time'
- Switch 'Use one schedule for all devices' to 'On' to use the same schedule for all devices. Or scroll down and switch on screen time for different devices individually if you want to have separate schedules

Set age limits for apps, games and media

- Sign in to your Microsoft account and find your child's name.
- Select 'Content filters' then 'Apps and games'
- Under 'Allow apps and games rated for', set the age limit for content

Block inappropriate websites

- Sign in to your account, and find your child's name
- Click 'More options' > 'Content filters'. Turn on the 'Filter inappropriate websites' toggle
- To block specific sites, add the links to them under 'Blocked sites'

Manage purchases in the Microsoft Store

- Sign in to an adult account and find your child's name
- Click 'More options' then 'Spending'. Turn on the 'Needs organizer approval to buy things' toggle
