

Dear Parent/Carer

We are very pleased to announce that we are introducing a fantastic new way to communicate and share information with you, our parent community. At Haven High Academy we want you to feel as much a part of their education as possible. With the increased use of smart phone technology we want to make best use of it.

MyEd is the free parent app that gives you a multitude of communication and information features to stay in touch with what is going on at school. The app gives you direct access to your child's attendance, timetable, absence records, achievements, behaviour and much, much more. You will also see that we update and change the information in the app as the school year moves along.

We are able to send you messages directly to the **MyEd** app relating to important information about your child's education and to remind you of events that are taking place at school.

You will receive a notification if we send you a message and there is no charge for the messages you send to us.

The **MyEd** app is available for both Apple iOS and Android devices and can be found using the links below:

Step 1 - Go to your App Store

Step 2 - Search for **My Ed**

Step 3 - Download the Free app
