

As we move further into the term, it has been fantastic to see so many of our students embracing the wide range of opportunities available to them, both in and out of the classroom. We would like to congratulate our Year 11 students for the focus and excellent behaviour they demonstrated during their recent mock exams – we are excited to see the results of all their hard work and dedication. It has also been wonderful to celebrate students who are going above and beyond with their revision through our regular reward trips, with recent visits to Glo golf and Boston Bowl and an all-you-can-eat Italian restaurant tonight. Next week's trip is to a trampoline park planned for next week, so be sure to attend at least three Study and Support sessions each week if you'd like to be invited. Our support for Year 11 continues with Saturday School tomorrow, where students can attend English and Maths GCSE revision sessions - please see Class charts for further details.

Many of our Year 10 students are also busy preparing for their upcoming work experience placements, which begin in just 10 days' time. This is an exciting opportunity for them to gain valuable insight into the world of work and begin thinking about their future career pathways.

Enrichment opportunities continue to grow across the school; on Thursday evening, a group of students from Years 9–11 attended the theatre to watch a performance of *Rent* simply for the enjoyment of live theatre. It was fantastic to see such enthusiasm, and we hope this is the beginning of many more cultural trips of this kind. There has also been plenty happening in the world of sport, with our Year 8 girls representing Haven High at a netball tournament and our Under-15 girls travelling to Peterborough for a football fixture. Meanwhile, our Year 7 students had a very positive experience at the Step into NHS Careers Day, where they enjoyed learning about the wide range of careers available within the NHS. It is lovely to see so many of our students working really hard alongside making the most of all the additional opportunities available to them.

Mrs Cartwright –
Assistant Headteacher

Term 4 - Dates for the Diary

It's Exam Time

Monday 23rd February

Mon 2nd Feb – Wed 18th March

Thursday 19th March

Mon 23rd March – Fri 27th March

Monday 30th March

Thursday 26th March

Wednesday 1st April

Thursday 2nd April

Start of Term 4

Trial Exams 2

Year 9 Options Evening

Year 10 Work Experience

Learning Awards Day at Tollfield and Marian – timings to follow

Year 11 Students' Progress Evening with parents

Invitation only – Year 11 Progress Evening

End of Term 4

5:00pm-6:00pm

3:30pm-6pm

Notices

Harmful online content

Channel 4 has aired a documentary telling the story of Molly Russell who took her own life at 14-years-old after accessing harmful online content relating to self-harm and suicide on social media. Through Molly's story, the film highlights the broader issue of harmful online content and the role that platform design and economic business models play. The Molly Rose Foundation has launched a campaign calling on the government to end algorithms that target harmful content towards young people and to take action against big tech companies to ensure they make safety and wellbeing a priority. There are also supporting resources for parents to talk to their children about Molly's story and harmful online content.

Watch the documentary: [Molly vs the Machines](#)
