

It has been a busy week at the academy this week with a lot of things going on across both campuses. At Marian campus Year 11 have now completed all their mock exams and will soon be seeing how they got on and find out what they need to focus on in the run up to the first exams. Year 10 will be going out on work experience next week; they are looking forward to this and are very lucky that they can take part in such an important experience. Staff will be visiting them next week to see how they are getting on. Year 9 had their options evening on Thursday where they found out what the process is for selecting what they want to study for their GCSE's. For anyone who could not make it there will be some further information sent to parents shortly. At Tollfield we have been celebrating students work particularly the hard work many students put into producing their Antarctica posters. The year 7 have also now started a series of student led assemblies. This is great for building confidence and resilience as it is not easy for students to talk to 250 of their own peers! Well done to them! I wish you all a lovely weekend when it arrives.

Mr Duce – Deputy
Headteacher

Term 4 - Dates for the Diary

Monday 23 rd February	Start of Term 4	
Mon 2 nd Feb – Wed 18 th March	Trial Exams 2

Togetherness: Online Parenting Courses

Free online emotional wellbeing programme for Lincolnshire families

What is Togetherness?

Togetherness is an NHS-backed online emotional wellbeing programme designed to help families in Lincolnshire build emotional resilience—from pregnancy through the teenage years.

Who Can Use It?

- Parents & carers: Learn about child development and boost your confidence.
- Grandparents: Adapt parenting strategies for today's children.
- Teenagers: Self-paced learning to understand emotional and brain development during adolescence.

What You'll Get

- Structured Learning Pathways: Antenatal & postnatal, Baby to early childhood, Primary school years, Teenagers & adolescence.
- Expert and peer insights: Clinical psychology content and real-life reflections.
- Practical Resources: Video explanations, printable guides.
- Flexible and Accessible: Learn at your own pace, anytime, from any device.

How to Access – Lincolnshire Families Only

1. Visit <https://togetherness.co.uk/>
2. Enter the free access code: WE_CAN
3. Create your personal account
4. Choose the pathway most relevant to you and start learning!

Benefits for Families

- Boosts emotional resilience in children and adults.
- Enhances communication and relationships within families.
- Helps parents understand behavioural and brain development at each stage.
- Reduces stress during transitions (e.g., starting school, moving to secondary).
