BELOW IS A REVISION GUIDE TO HELP ALL STUDENTS AND A STUDY TIMETABLE.

### YEAR 11 – GCSE FOCUS & WELLBEING

Year 11 students are now focusing on their GCSE examinations, which begin on 8th May—a key milestone in their school journey. As they prepare, we are supporting them to balance revision with maintaining their wellbeing.

#### TOP TIPS FOR SUCCESS:

**Revise little and often** – short, regular sessions are more effective

**Plan revision time** – create a simple, realistic timetable

**Take breaks** – rest helps improve focus and memory

**Sleep well** – aim for a consistent routine each night

**Stay active** – even light exercise can boost concentration

**Reach out** – speak to staff if support is needed

Looking after wellbeing is just as important as academic preparation, and we are here to support every student throughout this period.
