FRIDAY 1ST MAY 2026

WELCOME TO THIS WEEK'S NEWSLETTER!

It's been another busy and positive week across the school, with students in all year groups continuing to work hard and engage in their learning. From focused GCSE preparation in Year 11 to excellent progress and participation in lessons across Years 7-10, we are proud of the effort, resilience, and commitment shown by our students. Alongside academics, students have also been involved in enrichment activities, sports, and wider school life, helping to build a strong and supportive community.

We are proud of the effort and resilience Year 11 students are showing as they approach their exams.

NO CYCLING THROUGH MAY FAIR

For everyone's safety and enjoyment, cycling is strictly prohibited through the May Fair.

- The fair is packed with rides, stalls, and families meaning no space for cycles to move safely.
- Fast-moving cycles pose a serious risk near ride entrances and crowded walkways, so please dismount and walk.

Let's keep the fair fun and safe for all!

Thank you for your cooperation and understanding!
