

Safe@HavenHigh

The HHA Safeguarding Team

The Safeguarding Team at Haven High Academy can offer pupils, parents and their family resources, advice, signposting and referrals that promote children's safety and wellbeing. Our aim is that all the children at Haven High have the best possible outcomes. Please get in touch if you are worried about a child, have any questions or would like more information about this topic.

Healthy Minds Lincolnshire

Haven High Academy works with Healthy Minds Lincolnshire, who provide emotional wellbeing support for children and young people

Emotional wellbeing is about being happy, confident and having good relationships. Evidence tells us that early intervention, when issues arise, helps to prevent mental health problems developing in the future. Our service is focused on providing children and young people with early interventions to prevent emotional wellbeing worries escalating into mental health concerns.

Healthy Minds Lincolnshire use evidence based interventions that promote resilience, normalise emotions and teach positive coping mechanisms

Children & Young People

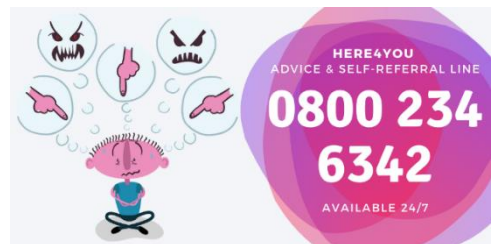

Healthy Minds Lincolnshire provide brief interventions to children and young people in the form of self help, workshops, groups and one to one sessions.

Your Head of Year can support with a referral to Healthy Minds Lincolnshire. If you would like to speak to a mental health practitioner, contact the Lincolnshire Here4You line

Referrals can be taken from young people, parents and carers Monday to Friday 9am to 4.45pm.

Parents & Carers

Healthy Minds Lincolnshire offer support and advice to parents and carers, as part of your child or young person's sessions. They also offer online workshops and groups.
